Spelling tips!

Hello to all students and teachers from the region!

We are excited to have you back in our Comfa-spelling contest 26' on its 8th version. For newcomers, we want to share some meaningful tips about the contest this year.

*This Category will have **25 secs** for spelling. Be fast, time is valuable!*

When you spell, you have to do it this way: (say-spell-say) We call it the " sandwich method"

A timer will keep track of the seconds the speller takes with each word.

If you don 't understand the word, you can ask for repetition (only once).

Last but not least!

Enjoy the contest, make the most of the experience, and learn by sharing with your peers. Remember that being here makes you a winner.
