Spelling Tips

Hello to all students and teachers from the region!

We are excited to have you back in our Comfa-spelling contest 24' on its 6th version. For newcomers, we want to share some meaningful tips about the contest this year.

This Category will have 20 secs for spelling. Be fast!

If you ever find " - " in words, name it as "dash or hyphen."

A timer will keep track of the seconds the speller takes with each word.

If you don't understand the word, you can ask for repetition (only once).

*When you spell, you have to do it this way:
(say-spell-say)
We call it a "sandwich."*

Last but not least!

Enjoy the contest, make the most of the experience, and learn by sharing with your peers. Remember that being here makes you a winner.
