Spelling tips!

Hello to all students
and teachers from the
region!

We are excited to
have you back in our
Comfa-spelling
contest 26' on its 8th
version. For
newcomers, we want
to share some
meaningful tips about
the contest this year.

*This Category will
have 25 secs for
spelling. Be fast, time
is valuable!*

When you spell, you
have to do it this way:
(say-spell-say) We call
it the " sandwich
method"

A timer will keep
track of the seconds
the speller takes with
each word.

If you don 't
understand the word,
you can ask for
repetition (only once).

Last but not least!
*Enjoy the contest,
make the most of the
experience, and learn
by sharing with your
peers. Remember that
being here makes you a
winner.*
